### **CELEBRATED INVESTORS TO REVEAL INVESTMENT INSIGHTS AT THE INAUGURAL SOHN MONACO CONFERENCE**

New York, NY – May 18, 2017 – The Sohn Conference Foundation today announced the Sohn Monaco Conference, to be held on June 22, 2017 at the Monaco Yacht Club, further expanding the Sohn Investment Conference’s global network of conferences. The Conference will follow the model pioneered in New York City of convening top investors to share market insights while raising funds for Centre Hospitalier Princesse Grace in support of Sohn’s signature cause of pediatric cancer research and care.

“The speaker lineup for Sohn Monaco includes some of the best and brightest investors in the European hedge fund industry,” said Doug Hirsch, Co-Chair of the Sohn Conference Foundation. “Monaco offers a truly global financial landscape and emerged as a superb location to grow the Sohn Investment Conference’s international presence. In addition to reaching more financial centers, our rapid global expansion means that the Foundation can impact more children around the world who are fighting cancer.”

The renowned Sohn Investment Conference in New York City is the original and premier investment event. The Conference’s global footprint has expanded to include events in Australia, Canada, Hong Kong, India, London, San Francisco, Tel Aviv, and now Monaco.

“As the home to a thriving financial industry, Monaco is the perfect fit to host the newest Sohn Investment Conference,” said Justin Hilbert of Sohn Monaco. “We were inspired by Sohn’s global presence to bring this exciting, mission-driven event to Monaco and be part of Sohn’s growing network of world-renowned conferences.
